# 50 Miles of Murals along the Erie Canal

- Mural Mania will continue efforts of Lyons and other neighboring Erie Canal communities to become the longest mural trail in the world. Localities already participating along this mural trail include the towns of Jordan, Weedsport, Port Byron, Clyde (summer of 2008), Lyons, Newark (summer of 2008) and Palmyra. Our goal at Mural Mania is to have 50 miles of murals, and 50 murals within those 50 miles, by the year 2010. Through murals we are celebrating the past while simultaneously making way for a better future. By painting murals we are giving people a little spark of pride, and improving our downtowns which will enhance tourism experiences.
